## Certifications | Internships

---

### Geekster | Geekster Full Stack Web Development Bootcamp

- Solved 500+ DSA/Coding questions on Hackerrank and Leetcode.
- Participated in various Geekathons organised by the platform.
- Worked on various projects like **MovieMania-AI**, **Gemini Clone**, **Cartier Website Clone**
- Technical Stack Learned : **JavaScript**, **React**, **Tailwind-CSS**, **Redux**, **BootStrap**

---

## Projects

---

### MovieMania-AI [\[Deployed link\]](#) [\[Github Link\]](#)

- Created an AI-driven movie platform with Firebase authentication for secure login and signup functionality.
- Integrated TMDB Database to fetch movie details and Gemini API to suggest personalized movies.
- Designed a fully responsive interface with features like a cinematic landing page playing the latest movie trailer, interactive movie details pages, and a dynamic AI-powered search for genres and movies.
- Tech Stack: React, Redux, Tailwind CSS, Firebase, TMDB API, Gemini API, React Router.

### Google Gemini Clone [\[Deployed Link\]](#) [\[Github Link\]](#)

- Developed an AI-powered app with a dark-mode design, featuring prompt suggestion cards, a dynamic input box, and intelligent responses using the Gemini API.
- Implemented a typing animation effect for responses, a real-time loader animation, and a sidebar to track prompt history.
- Tech Stack: JavaScript, React, Tailwind CSS.

### U Matter - Yoga Meditation App [\[Deployed Link\]](#) [\[Github Link\]](#)

- Developed a Yoga and Meditation app featuring guided sessions, interactive progress tracking, and personalized recommendations for users.
- Integrated features like session timers, calm background music, and daily reminders
- Tech Stack: HTML, CSS, JavaScript

---

## Skills

---

- **Computer Language** : Java, Javascript, HTML, CSS
- **Frameworks / Libraries** : ReactJS, Tailwind, Redux, BootStrap, REST-API
- **Tools & Technologies** : GIT & GitHub, Firebase

---

## Education

---

Year	Degree/Examination	Institution/ Board	CGPA/Percentage
2021	B. Tech in Electronics & Communication	Maharaja Agrasen Institute of Technology	8.74
2016	12th	CBSE	90.33%
